

Learning Community Gathering

EXPLORING NEW APPROACHES TOWARDS MISSION
AND DISCIPLESHIP

We are pleased to announce the launch of a full LEARNING COMMUNITY, run by 3DM Kairos Connexion, in Tunbridge Wells

Discipleship and mission are at the heart of our calling as followers of Christ – to grow as disciples ourselves and to make disciples who make other disciples. So what could that look like in your context?

3DM Kairos Connexion will be hosting a Learning Community that will introduce you to some of the tried and tested principles and practices that are shared as part of the Learning Community process, and will help you outwork integrated missions and discipleship in your communities

A Learning Community is a series of 4 three-day gatherings that incorporate main stage teaching, expert coaching and a chance to experience proven vehicles for mission and discipleship. The full Tunbridge Wells Learning Community process will begin in the Autumn of 2016 and each gathering will cover a different theme:
